## Chapter 1 by Tanner Luker

Legends have it that there is a sacred tree somewhere in the world. Scholars and explorers have searched for it for centuries yet it remains hidden to the world. Until today. Our story begins with an apprenticed boy named Gladio. Gladio is apprenticed to the legendary Swordmaster Herba. They both live in the castle Fortuna. Tensions have been running high with the neighboring kingdom of Malum. The king is ill, the princess is distraught, and resources are short everywhere. And to make things worse winter is coming. Due to the mystical magics of the narrator this story will now continue from Gladio's mind.
